

Links for Grant Information for CE Projects

An email to the CE network on April 11, 2002

Following up on our discussion about grants at the CE Conference in Albuquerque: The following links may be of use to you and your partners in identifying grant or funding opportunities for Conservation Education projects. I'll also post this email in the CE TeamRoom for continued access.

Congressional Research Service Reports:

RS20514: Grants Information for Constituents, updated April 16, 2001 This provides detailed information and web addresses for obtaining grants from both government and private sources.

There are at least two links on the main page you can use in seeking resources for environmental education programs

1) **Environmental Programs and Resources** <http://cnie.org/Education/>

2) **Foundations providing Grants for Environmental purposes** (227 organizations listed and linked)
