State Forester's Welcome

Before you begin..

How much of Indiana is
forestland? Where is it
located?

What is the history of
Indiana's forest?

Who own Indiana's timberland?

What types of trees grow in Indiana?

How old (or young) are Indiana's trees?

How fast are Indiana's trees growing, dying and being
removed?

A not-so-final thought on the future of Indiana forests...
